

## Research intern (f/m)

Blockpit is an ambitious StartUp dealing with blockchain technology. We offer global software solutions for cryptocurrency traders and customized monitoring applications for corporates in a large market.

We are looking for a highly motivated intern to support the marketing department in Linz or Vienna by delivering and creating well researched content

### Tasks

- ✔ Support of the Content/ Marketing/ Sales Team
- ✔ Research of content in the area of cryptocurrencies, regulation and innovation
- ✔ Analysis and interpretation of content
- ✔ Support of surveys and studies
- ✔ Writing content for the website, blog or social media channels

### Qualifications

- ✔ Motivation to learn new things
- ✔ Team player skills
- ✔ Structured, independent working method
- ✔ Interest in cryptocurrencies and blockchain
- ✔ Excellent German and/or English language
- ✔ Estimation of source quality

### What we offer

- ✔ An open, exciting and pleasant company culture
- ✔ Responsible and meaningful work
- ✔ Additional success-based compensation
- ✔ Chance of a permanent job offer (Full time/Half time)
- ✔ Regular team events
- ✔ €1,000 monthly remuneration
- ✔ Insights into the startup world

Our current workplace is at the Factory300 office in Linz, but location-independent working is possible.

We look forward to receiving your application in our mailbox: [hr@blockpit.io](mailto:hr@blockpit.io)  
(Or just give us a call: +43 660 6477570)
