

Social Media & Community Intern (f/m)

Blockpit is an ambitious Start-up dealing with blockchain technology. We offer global software solutions for cryptocurrency traders and customized monitoring applications for corporates in a large market.

We are looking for a highly motivated intern to support the marketing department in Linz by managing our external communication channels and interacting with our community.

Tasks

- ✓ Managing our external communication via Social Media (Facebook, Twitter, LinkedIn, Telegram) and newsletters
- ✓ Creating content for social media, blog, presentations
- ✓ Executing our Social Media campaigns
- ✓ Engaging in active dialogue with our community

Qualifications

- ✓ Enthusiasm for Social Media
- ✓ Very good proficiency and experience in managing Social Media
- ✓ Interest in crypto currencies and blockchain
- ✓ Motivation to learn new things
- ✓ Excellent German and English language
- ✓ Team spirit and open, communicative personality

What we offer

- ✓ An open, exciting and pleasant company culture
- ✓ Responsible and meaningful work
- ✓ Additional success-based compensation
- ✓ Chance of a permanent job offer (Full time/Half time)
- ✓ Regular team events
- ✓ €1,000 monthly remuneration
- ✓ Insights into the startup world

Our current workplace is at the Factory300 office in Linz, but location-independent working is possible.

We look forward to receiving your application in our mailbox: hr@blockpit.io
(Or just give us a call: +43 660 6477570)
